**Subject:** DTSC News Feed

DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

## March 5, 2015

- DTSC cited the [Gallo Glass Company](#) this week for allegedly using hazardous waste in the production of glass wine bottles at its plant in Modesto. DTSC received extensive coverage in more than 50 publications. See coverage from [Capital Public Radio](#) and [Wine Spectator](#).
- DTSC is adopting a [Supplemental Environmental Project \(SEPs\) Policy](#) and will hold three [public workshops](#) in March on its draft SEPs Policy. The SEPs Policy is part of DTSC's commitment to environmental justice in California's most impacted and vulnerable communities.
- Check out the latest chart on the [residential cleanup progress](#) near the Exide facility in Vernon.

Archived versions of DTSC News Feed can be found on the department [website](#).
